SCANGLE

Professional POS hardware manufacturer

K2

Compact multi-configuration(s) integrated POS system

Simple, accessible and powerful!

Available all in one POS terminal (**9.7"** FHD 4:3 type), **K2** is equipped with a multi-touch capacitive projected panel (PCAP technology) that is shock and scratch resistant.

This modular point of sale terminal is 58mm thermal receipt printer.

OS: Windwos or andorid are available.

Window os-Equipped as standard with J6412 processor, Android OS with RK3566 processor, this POS equipment is robust and is not affected by harsh environments (grease, dust and residue, kitchen splashes, etc.). Its J6412 processor is energy efficient and its structure allows heat dissipation, thus avoiding the risks of overheating,

which is in line with increasingly demanding environmental standards (limited carbon footprint).

Affordable and offering good value for money given its many advantages, this hardware means profitable investment for the development of durable POS IT assets and infrastructures.

And offer OEM & OEM service !

All in one POS system

K2

9.7inch mini POS Terminal

ALL-IN-ONE

Affordable, high-performance, durable POS system

INTEL Celeron J6412 processor (windows)

Rockchip RK3566 processor (android)

PCAP multi-touch panel

1 screen sizes (9.7" ---4:3 format)

Low power consumption and carbon footprint

Optional USB Hub (1 serial ports + 4 USB ports + 1 R J12 for cash drawer+1 HDMI + 1 DC power supply + 1 RJ45 port for lan).

1* inbuilt 58mm thermal printer (58mm *60mm paper) support ESC/POS & OPOS commands
